May 3rd Important Deadline!!

Log into https://v2.4honline.com/#/user/sign-in to review your 4-H enrollment ASAP/ Youth must be actively enrolled and may only exhibit projects in the fair that they are enrolled in. Because of May 1st falling on a Saturday, youth have until May 3rd to add/drop projects. Please don’t wait until the last minute to check! Call the office if you would like us to review your projects.

Horse ID Papers- May 3rd

Horse ID papers for all 4-H horse members need to be submitted to the office. We have a few options of getting this done. An agent will sign your original papers and take a copy for office records. We will mail you, your originals back if they are in the office. You are responsible for the originals in 2021!

It is recommended to ID each horse you own. Only horses that have IDs are eligible to show at the fair.
Poultry Testing

Kansas continues to be a Pullorum-Typhoid (P-T) Clean State, which means that all poultry (except waterfowl) involved in exhibitions, such as the county fair, are required to either originate from a hatchery or breeding flock that is classified as U.S. P-T Clean through the National Poultry Improvement Plan (NPIP) or test negative on a pullorum-typhoid test within 90 days prior to the opening date of exhibition.

Stay tuned for more information on free testing provided by KDA and the state vet. A local testing date will be set prior to fair.

Cloverbuds May 6th

The meeting will be held at Meade County Extension office from 3:45-4:45pm! Please RSVP for the meeting!! This is the last meeting, so we hope to see you there!

Crooked Creek Classic

Don't forget to register for the local spring livestock show by May 15th to receive a free CCC T-shirt. This is a great opportunity to get your animals out locally before the county fair. Registration form can be found online at www.crookedcreekclassic.weebly.com

Forms can be turned into the Extension Office!
