ITS MEADE COUNTY FAIR TIME!!

2020 Meade County Fair Book

Fair books can be picked up at the office or found online!

https://www.meade.k-state.edu/4-h/documents/county_fair_files/2020%20Fairbook.pdf

Pre Entry Required for ALL Indoor Exhibits

To help plan with judges and keep the building organized, ALL INDOOR EXHIBITS must be pre-entered to the Meade County Extension Office by Monday, July 13th at Noon.

Exhibitor Number and Forms

Don’t worry about exhibitor numbers for 2020. On your entry form, please list the class number and a brief description of the item. For example, if you are taking foods and nutrition and are taking three items, please list all three items as what they are. (Example: yeast rolls, German chocolate cake, and blueberry muffins). For an example on photography, if you have 3 pictures, list the class number and a description. (Example: Mountains, my dog, old barn).

Pie & Cake Auction Change!!

Due to a lack of consideration of underweight livestock, the pie & cake action dates have been changed. Entries and eligibility forms are due July 13th at noon. If your animal is underweight, you will be able to sell. If your animal makes weight, we will pull your entry on July 23rd before going live on Facebook. The sale will start on July 23rd at 8pm and end on July 31st at 8pm. Please email a picture of your pie or cake and index card to huelskamp@ksu.edu or turn them in with your entry and eligibility form! If you have contacted a potential buyer, please notify them on the auction change.

Pre-Entries for Style Revue

For this year, you will need cost per wear and the forms with the picture. These can be found on the website or you can come pick them up in the office! Do not worry about a narrative this year.

Building B Supervision

Reminder that for 2020, Building B will be open from 5-8 PM on Wednesday and Thursday during fair week for the public to view 4-H Projects. 4 Leaf Clovers and Town & County to help with Building Supervision on these days respectively. Please coordinate with your club leaders to help monitor the building.

Photo Mount Boards & Protective Sleeves

Those planning to enter photography at the fair can stop by the Extension Office and pick up mounting boards and protective sleeves for each photo. Please remember there are specific rules on how your photos are mounted. Those rules can be found in the fair book.

Livestock Insurance

Youth that would like purchase insurance on their animals have until Monday, July 13th at Noon to get $5/head to the Extension Office. The insurance covers the animal at market value once it leaves your property till the end of the fair on Friday.

Loose an ear Tag?

Livestock members that have animals that lost their tags, please notify Elly ASAP. We would prefer all tag changes be made prior to the weighing in your animal.

4-H Talent Show

Please email your virtual submissions to huelskamp@ksu.edu by July 14th at noon! Final Judging sheet will then be put in 4-Her’s notebook at fair on Monday, July 20th.
4-H Food and Nutrition Cake/Pie Auction

1. You need to be enrolled in Food and Nutrition as a project to participate.

2. You must exhibit in foods at the fair. PREMIUMS WILL BE WITHHELD IF YOU DO NOT.

3. This year you must submit a picture and a description of a cake or pie to go on Facebook Auction. Due to the office July 13th by noon. These will go on Facebook July 23rd at 8pm and run till July 31st at 8pm. It will be your responsibility after we inform you whom has purchased your pie or cake, to go to the buyer with product and pick up your check by August 31st, 2020. Work this out with your buyer.

4. Take a picture of the item cutting a piece out-so your buyer can see the middle and just how pretty your baking was that you accomplished. On a 3 x 5 card - Describe the cake or pie. Include the recipe and also some safety tips you learned from summer cooking and delivery. One big thing we recommend is a food thermometer-if you do not have one come get one. In baking, there are many visual clues to test if a product is done. But the best way is a food thermometer.

   - Layer cakes 205-210 degrees F
   - Pound cake 210 degrees F
   - Jelly Roll cakes 190-195 degrees F

   Use visual for brownness, tooth pick to see if sticky and on a cake if you lightly touch a cake surface it should spring back. Pie you should see a clear bubble on the top of your fruit pies, meaning that it is thickening up. Don’t take a product that is not cooked thoroughly.

5. In this description since we are waving no refrigeration and using safe Ingredient-You will be able to make whatever your buyer - you feel would like. Some buyers in the past have requested certain recipes. If you have a buyer that has supported, you in the past-This year call that buyer and tell them you are getting ready to make for the fair and would like to know if they have a certain pie or cake they would like for you to make. Tell them how it will change this year to an on-line auction on Facebook. And then when we get all that information it will be sent out to the 4-H Families to help advertise on Facebook as well. You will need to inform your buyers to what is going on and they can be on the lookout for this event.

6. We have not received yeast from Red Star. The last I talked to them, they were having a hard time keeping up with the demand of the stores and online sources. The demand was simply unprecedented. They were concerned for safety of customers as well as employees. So, don’t plan for yeast from the office and if we do receive—we’ll let you know as soon as we receive a shipment.

7. If you have any questions feel free to call the office. 620-873-8790

Hi, my name is Christine McPheter and this is my first year in 4-H. I belong to the Hill and Dale 4-H Club. I am learning to bake and test for doneness when making cakes. I have a thermometer I used to test for doneness. This cake was cooked to 210 degrees. This cake is fun and very good! I used a special flavoring in my frosting. I hope you enjoy!
Quality Counts
July 8th & 10th

All 4-H’ers planning to show livestock at the fair will need to take either YQCA online or Elly's local Quality Counts held on July 8th (2-3:30 PM) or July 10th (3:30-5 PM) at the 4-H Building. Social Distancing will be happening at the in-person training. Youth from separate families will not be allowed to sit at the same table. Youth from the same family may sit together. We ask that you call the office to RSVP so we can have enough seating planned.

HAPPY BIRTHDAY 4-H’S!
We hope you all have a very special day and Happy Birthday!!

- Reagyn Roberts, July 08
- Alexander Krull, July 09
- Charlie McNemer, July 10
- Samuel Lynn, July 18
- Cole Langhofer, July 21

Fair Auction Eligibility Form

Those wishing to sell an animal or cake/pie in the auctions at the County Fair will need to submit a completed Auction Eligibility Form. Forms will need to be submitted before or by July 13th for members entering into the food auction and July 13th for members entering the livestock auction. The forms have been updated online and can be found at https://www.meade.k-state.edu/4-h/2020%20FORM.pdf Youth who do not turn in a completed form are ineligible to sell items. The requirements have not been adjusted at this time due to COVID19. If youth find themselves short on requirements, we encourage you reach out to either Christine or Elly so we can be aware and recommend changes to the Fair Board if necessary. So far, there will be options to fit in some alternatives after July 4th but before July 15th.

Stalling at the Fair

All livestock families have been assigned stalls based on weigh-in. Stalling at any point during the fair is OPTIONAL. Livestock may be hauled in for the shows, hauled home, and then back to town for the livestock sale on Friday. Housing overnight is your choice for 2020. Please be considerate of others space as they may want to use their stalls only during the livestock show and the vacate them. If you do use the assigned stalls, please clean them after you are done.

*Monthly Club Meetings*
In response to the COVID-19 outbreak in Kansas and to keep staff, participants, volunteers, and the public safe, Kansas 4-H has modified some of the procedures for its involvement in the 2020 Kansas State Fair.

**Entry Limits Clarification - This pertains to Centennial Hall and 4-H Showcase Building Entries.**

A message was sent on June 19, explaining the entry limit modifications. To clarify, this does not mean that each unit can only submit one Static entry per division. Each youth in your unit can submit one item per division, as long as that item was judged and found to meet the qualifying standards at the county level.

***UPDATE*** Because Crops Division is in a different building, youth can have multiple entries, just as in past years.

Poultry, Rabbit, Horse, Dairy Cattle and Dairy Goat entries will follow the State Fair Book guidelines unless a new update is sent out to the State system. Please continue to watch your email for this information.

**UPDATED INFORMATION ON ENTRY DELIVERY**

Limit modifications were announced in an email to the system on June 19th. The announcement included moving Presentations to a virtual format, reducing the quotas for Visual Arts, and limiting all other divisions (excluding crops) to one youth entry per division.

Delivery for entries will also look different. Deliveries will be accepted from KSRE Staff or a designated Volunteer only. Individual members will not be allowed to drop off entries. Entries will be accepted on Tuesday September 8th from 1 p.m. - 6 p.m. and on Wednesday September 9th from 8 a.m. - noon. An assigned delivery time for each local unit will be sent at a later date.

Please help to make the process as efficient as possible. All entries must come to the Fair with their cards and/or information sheets completed. We will not have space to complete paperwork at Centennial Hall this year.
Kansas 4-H Wheat Variety Plot and KSRE County Demo Wheat pick-up is tentatively scheduled for Wednesday, Sept. 8th from 8:30 a.m. – 1 p.m. on the east side of 4-H Centennial Hall. Please note that the wheat from KSU Agronomy will not be available until 10 a.m.

**UPDATE ON JUDGING PROCESS**

To accommodate Social Distancing practices, entry delivery starts on Tuesday September 8th allowing the needed spacing and timing for exhibit judging. Please see the listing below of when different project/divisions will be judged.

**Tuesday, September 8th 1-6pm –**

- Foods - Nutrition judging starts @ 1 p.m.
- Horticulture judging starts @ 2 p.m.

**Wednesday, September 9th 8am-5pm –**

- Horticulture judging continues @ 9 a.m.
- Foods - Nutrition judging continues @ 10 a.m.
- Home Environment judging @ 10 a.m.
- Forestry judging @ 10 a.m.
- Wildlife judging @ 10 a.m.
- Visual Arts Display @ 10 a.m.
- Photo Sorting

**Thursday, September 10th 8am-5pm –**

- Entomology judging @ 9 a.m.
- Clothing judging @ 9 a.m.
- Shooting Sports judging @ 9 a.m.
- Wood Science judging @ 9 a.m.
- Energy Management judging @ 9 a.m.
- Photography judging @ 9 a.m.

**Friday, September 11th 8am-5pm –**

- Fiber Arts judging @ 9 a.m.
- Foods Preservation judging @ 9 a.m.
- Geology judging @ 9 a.m.
- All SpaceTech Divisions judging @ 9 a.m.
- Crops judging @ 3 p.m.

*Centennial Hall will be closed to the public on Friday until judging has been completed and displays are finished.*
UPDATE ON DISPLAYING PROCESS
By doing presentations virtually, the staging and audience areas will be removed. The removal of public seating areas around the building will also be necessary. Exhibits will be spread out into many of those areas to help facilitate the flow of traffic and social distancing.

UPDATE ON RELEASING ENTRIES PROCESS
Static exhibits will not be released on Sunday evening. Much like the entry delivery, all units will be assigned a pick-up time on Monday September 21st between 9 a.m. and 4 p.m. A KSRE staff member or a designated volunteer will pick up all Static exhibits at that time. Assigned time for pick-up will be sent at a later date.

UPDATE ON CONTESTS
