2023 Fair Theme

We are already thinking of a theme for next years fair! For the 2023 fair, there will be a cover page contest for the fair book. Please send in ideas on what our fair theme could be be so we can get started on the contest!

Shooting Sports

We are currently working on a grant application for shooting sports! This could provide us with new equipment such as arrows for archery, new air rifles, or even equipment that we don't currently have, such as air pistols. We would like to gauge the interest in these potential new options to improve the application and help us select equipment. Please let us know if your 4-Her would be interested in BB gun or air pistol, and if they would like to shoot competitively in any of the shooting sports.
